

Are Donations Tax-Deductible?

The NEASF is tax-exempt under 501(C)(3) of the Internal Revenue Code. Donations, therefore, are usually deductible. You should consult with your tax accountant or advisor as to how your contributions is to be treated.

How should my donation check be made out?

Please make your check payable to: New England Amateur Skating Foundation or NEASF.

If you wish to recommend a particular skater, please include this information on a separate piece of paper along with your check.

You may use this sheet of paper, See Reverse side.

Thank You!

The mission of the New England Amateur Skating Foundation is to help competitive skaters by defraying some of their ever-increasing expenses. With many skaters in need of support, the Foundation, a tax-exempt organization, offers the opportunity of sponsorship to anyone who would like to help

This brochure provides answers to some often asked questions regarding the New England Amateur Skating Foundation.

The New England Amateur Skating Foundation is a Tax-Exempt organization under section 501(C)(3) of the Internal Revenue Code.

What is the New England Amateur Skating Foundation (NEASF)?

The NEASF is a non-profit organization whose purpose is to assist competitive amateur skaters. All Regional, Sectional, National and International skaters are eligible for assistance.

How Does The NEASF work?

Donations are received from both individuals and corporations. The monies collected are then used to defray skating-related expenses such as ice time, lessons, costumes, equipment, competition fee's, strength training, ballet, off-ice classes and travel expenses.

How are the funds allocated?

The NEASF Allocations Committee reviews its information about a skater and allocates funds accordingly.

Information reviewed includes comments and recommendations of clubs, professionals and donors, as well as the experience and competitive level of the skater.

How does a skater receive money from the fund?

The skater must submit a bill or bills signed by the skater as well as the head coach. If the skater is under 18 years of age, the bill's must be signed by a parent and the head coach. Payment is made directly to the vendor or provider of the services.

What percentage of my donation actually goes to the skater?

One hundred percent: The NEASF charges *no fees* and there are *no deductions* of any kind. All of the operating expenses of the Foundation are paid by volunteers. *All* donations are used to help the skaters.

Sponsorship Form

Thank you for taking the time and the interest to sponsor my Figure Skating. I hope to be the "one" skater from Arizona that surprises the World one day! "Wow, a Figure Skater from the desert of Arizona!"

Again, thank you for taking an interest! Now I would like to also have you take just a little more time and give me your contact information, so I may tell you thank you personally and keep you informed and up to date with my skating accomplishments and competitions.

Thank You, *Katlynn McNab*
